

Policy on Placing Orders for Distributors

Hamilton Global Management, Ltd. will place orders for its Distributors with Vision International Peoples Group (hereinafter called Vision International).

Hamilton Global Management, Ltd. offers this service as an optional convenience to its Distributors to simplify their ordering process by eliminating the need to make international transactions involving foreign currencies and, possibly, foreign languages.

When placing orders for Distributors, we will use the Distributor's account information (logon and password) so that the Distributor will receive credit for any CV points, premiums, bonuses, and other incentives offered by Vision International.

Hamilton Global Management does not assume any responsibility for the timeliness, quality or accuracy of orders fulfilled by Vision International.

The following criteria and procedure apply:

1. The Distributor must be part of the distributor network developed by Hamilton Global Management. We will not place orders for distributors outside our network.
2. The Distributor should provide us with a list of the products he wishes us to purchase on his behalf along with the quantity of each product. If the Distributor provides a list by telephone, we will send the Distributor a confirming written copy by e-mail before placing the order with Vision International.
3. We will provide the Distributor with a pro-forma invoice that shows the total amount owed for the order in US dollars. The invoice will include the cost of the products ordered, shipping, and a \$10.00 service fee. Distributor prices are shown on our Web site at <http://www.vision-usa.org/allprods.html>.
4. All orders must be pre-paid in full by credit card, check, or money order. Payments by check or money order must be made in favor of Hamilton Global Management, Ltd. We will allow sufficient time for checks and money orders to clear for payment before placing an order with Vision International.
5. We will e-mail or phone the Distributor to resolve any questions or problems regarding an order or its payment before placing it with Vision International.

7. We will inform the Distributor by e-mail when we have placed his/her order.
8. We request that the distributor inform us of any questions or issues that arise with the order, as Vision International may communicate only with the Distributor and not with us regarding his/her order.
9. We will assist the Distributor in resolving questions with his/her order by contacting Vision International in Europe and discussing the Distributor's question. We will report any communications to the Distributor.
10. The Distributor will receive all credits for bonuses, premiums, and other incentives offered by Vision International to Distributors.
11. If the Distributor has made an overpayment (possibly due to changes in the Euro-Dollar exchange rate), we will refund the excess to the Distributor in a timely manner by check or credit card.
12. Hamilton Global Management is not responsible for errors or omissions made by Vision International. On request, we will assist the Distributor in resolving any problems. Any refunds or adjustments will be made directly by Vision to the Distributor.
